

Internet Banking(Loan)

The screenshot displays the Visual Studio Code interface for a project named 'InternetLoanBanking'. The Explorer sidebar on the left shows the project structure, including folders like 'admin', 'customer', 'loan', 'managecustomer', 'manageloan', 'common', 'home', 'login', 'register', 'service', 'user', 'applyloans', 'userhome', 'userloan', 'viewloan', and 'assets'. The main editor area shows the 'viewloan.component.spec.ts' file, which contains a 'describe' block for 'Manage Loan Component Test' with several 'it' blocks for testing different components like 'MatFormFieldModule', 'MatInputModule', 'MatSelectModule', 'MatTableModule', 'MatSnackBarModule', 'ToastModule.forRoot()', 'MatGridListModule', and 'MatCardModule'. The bottom panel shows the Karma test runner interface, which reports '61 specs, 0 failures, randomized with seed 82003' and 'finished in 0.898s'. The Karma interface also shows a list of tests and their results, including 'User Loan Insert Component Test', 'Admin Home Component Test', 'Admin Loan Delete Component Test', 'Manage Loan Component Test', 'Admin Customer Insert Component Test', 'Manage Loan Component Test', 'Update Component Test', and 'Login Component Test'.
